

Stripe Stripe Block - with a modern look

This block is from Audrey's on-line tutorial at Hot Pink Quilts – hotpinkquilts.blogspot.com

You may make up to five blocks for one chance per block to win all the blocks turned in at the November SBQG meeting.

1. Guidelines are for a 10 ½" block, two fabrics needed.
2. (A) should be a gray or light gray fabric and (B) fabric can be any color you like that has a modern look or print to contrast.
3. Cut 3 strips each of both fabrics 1 ¾" x 16" strips, six total.
4. Sew your A and B strips together to form 3 pairs.
5. Sew your AB pairs together to form an 8" x 16" block, then cut in half to form two 8" blocks exactly alike.
6. Now stack one block on top of the other in exactly the same orientation. This step is important for the final step.
7. Now slice the 2 blocks in half diagonally from upper left corner to lower right corner.
8. Flip your triangles into the shape shown in the picture and sew together so the stripe colors A and B alternate. The block should result in a 10 ½" block.
